

STAIR BALUSTRADING

A staircase may be a structural necessity in your house, but it can also be a feature that adds grace, impact, style and a host of other benefits to your home – and the correct balustrading is the key that unlocks the decorative potential of your stairs.

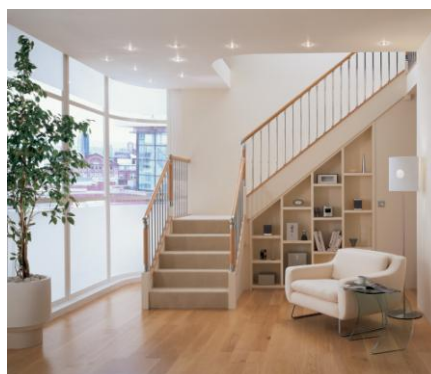

We stock a range of internal balustrading items – spindles, handrails, base rails and newels, in top quality pine, for immediate delivery, from the UK's biggest manufacturer, Richard Burbidge. In addition to our stock range, we can provide any items from our suppliers' vast range to suit your style and décor.

A range of different styles and timbers are available, to suit both your style and budget. Choose from a range of traditional turned designs, or simpler designs, for more modern interiors.

For a highly contemporary look, the ultra-modern Fusion range, with a mix of timber, clear panels and metallic finishes offers the vey

latest in staircase style. Full details are shown on their website – <http://www.richardburbidge.co.uk/homeowner/stair-balustrade>

Please feel free to contact us with your requirements, and we will be pleased to advise on the best price and earliest availability.
